ZITTAU
der TU Dresden

The Academic Coordination Centre (ACC)
invites you to the first ACC-Forum.

From Change to Transformation

Place: IBZ St. Marienthal, 02899 Ostritz
Date: 16. – 20. October 2023
Language: English
Target group: Master-level students
Crediting: Students can receive credit points
for the successful participation

The autumn schools at a glance:

- Teamwork on various transformation topics
- Unique learning environment in an interdisciplinary and international atmosphere
- Develop ideas for solutions to local problems in the group and receive feedback from academics

The scientific conference:

- Research findings from the Euroregion and beyond
- Exciting keynote speakers
- Direct exchange with researchers and practitioners

Further highlights: Excursions, evening programme, Young Scientists Conference, transfer exchange and networking opportunities

Registration until 30 June. In case of remaining places, registration is possible at a later date.
